DESCRIPTION

The SRX915S VT CVR is a heavy duty soft cover designed to work with the SRX915S VT Vertical Transporter. The cover is sized to cover two or three SRX915S enclosures and features two industrial-rated zippers for easy and reliable deployment. The cover includes amplifier flaps, allowing SRX915S enclosures to be tested without having to remove the cover. Handle cutouts are provided for easy manipulation, and the front section panels are internally reinforced for maximum protection of the speaker grilles.
